LA ACADEMIA

MARBELLA INTERNATIONAL FOOTBALL ACADEMY

SHAPING PLAYERS, BUILDING FUTURES!

La Academia Marbella – Who we are

WHO WE ARE

Marbella International Football Academy is a professional high-performance football academy located in the heart of Marbella — designed for young players who wish to perfect their technical, tactical and physical skills, and for those with a clear international projection.

At La Academia, we offer a complete football education that combines elite methodology, premium facilities and a multicultural environment that prepares players for the next level of their careers.

- UEFA Pro licensed coaches, delivering top-level training inspired by the methodologies of leading clubs and national teams.

- Daily training on natural grass, a unique feature in Marbella that prepares players for real professional competition conditions.

- International partnerships and educational opportunities, including our collaboration with ACScholarship, which opens access to athletic scholarships in the United States and connects our players with universities and international leagues.

- A diverse community of players from over 20 nationalities, fostering cultural exchange and personal growth.

- A privileged location on the Costa del Sol, with over 325 days of sunshine per year, offering perfect conditions for year-round athletic and emotional development.

At La Academia Marbella, we don't just form footballers — we create an environment where young athletes learn to be leaders, teammates and global citizens.

WE TRIUMPH AS A TEAM!

WHERE TALENT GROWS!

MISSION & VISION

At La Academia, our mission goes far beyond technical and physical development. We work to unlock the potential of young players aged 6 to 19, while instilling core values such as effort, discipline, respect and teamwork.

We believe that true success is built upon strong character and values. That's why every session, every match and every experience is designed to shape not only elite athletes but also responsible, committed individuals.

La Academia is more than football, it's a global ecosystem where families, sports agents, investors and purposeful brands connect. A meeting point where sport becomes a bridge between talent, opportunity and community.

La Academia Marbella – Mission & Vission

Founded in 2024 with the vision of creating an international high-performance academy, La Academia has rapidly evolved under the leadership of a business group formed by former professional players and experienced coaches.

Today, our programmes are developed in partnership with premium resorts across Marbella:

ona VALLE ROMANO Golf & Resort · Occidental HOTELS & RESORTS · Barceló Marbella HOTELS & RESORTS · Óbal Urban Hotel TRUE MARBELLA

Organising summer camps, international tournaments and year-round training programmes, positioning us as a reference in Southern Europe.

UNITED WE RISE!

TURNING DREAMS INTO REALITY!

La Academia Marbella – What Defines Us

WHAT DEFINES US

A Strategic Project with Real Impact
La Academia Marbella is a benchmark for youth development, promoting local growth and positioning Marbella as a leading sports destination.

Commitment to Youth and Inclusion
We combine top-tier technical preparation with a bilingual, multicultural environment that inspires growth on and off the pitch.

Unique Professional Facilities
We are the only academy in Marbella training exclusively on natural grass, allowing us to:

- Organize international camps and elite experiences.
- Attract clubs, families and players from around the world.
- Provide our students with an authentic, professional environment.

An Investment in the Future
Partnering with La Academia is not just visibility, it's a purpose-driven alliance:

- Scholarship programmes for underprivileged youth.
- Economic and touristic impact initiatives.
- Promotion of positive values in sports and society.

A Reliable Institutional Partner
Brands gain both visibility and reputation while they:

- Contribute to local sports development.
- Reinforce their commitment to education and talent.
- Appear in media, events and official materials with positive social impact.

MARBELLA STANDS FOR QUALITY!

WE ARE ITS FUTURE TALENT SOURCE!

LOCAL DEVELOPMENT

USA Scholarship Programme
Through our partnership with ACScholarship, La Academia Marbella provides players with access to athletic scholarships in the United States, combining academic education and high-level football opportunities within American universities.

"Future in Play" Scholarship Programme
La Academia offers companies the opportunity to participate in a scholarship programme for children and teenagers from the local community who are in vulnerable situations:

- Full or partial scholarships (ages 6–19)
- Official equipment, training sessions, tournaments, and technical/social monitoring
- Visibility across media, social networks, and institutional events

These scholarships represent much more than sports training, they are a springboard to educational and athletic opportunities abroad.

La Academia Marbella – Local Developement

Marbella School Tournament
An annual inclusive event in collaboration with public and private schools:

- Local qualification rounds.
- Grand final hosted at a prestigious venue.
- Award ceremony attended by local authorities.

Corporate Tournament with Purpose
A dynamic football day that combines sport, networking and corporate wellbeing.

The tournament promotes team building, strengthens company culture and creates an inspiring environment for business and community connection.

CREATING REAL OPPORTUNITIES!

READY TO MAKE AN IMPACT!

La Academia Marbella – 10-Months Stay

10-MONTHS STAY

Starting in September – Year-round training in Marbella

Our 10-Months Season Programme is designed for players who wish to train, study, and compete in Spain under a professional environment.

Players benefit from daily technical sessions led by UEFA-certified coaches and former professional players, focusing on the four pillars of our methodology: technical precision, tactical understanding, physical performance, and mental resilience.

Professional Pathway

Throughout the season, players compete with local Spanish clubs in official league matches and take part in friendly games against professional youth academies, including Málaga CF, Cádiz CF, Real Betis, and Marbella FC.

These experiences provide real exposure and opportunities for growth within Spanish football.

Player Package Includes

- 10-month accommodation at ONA Valle Romano 4* Resort with full board
- Daily training at natural grass facilities
- Academic tutoring and language support
- Contract and management with a local Spanish club
- Airport transfers and daily transportation
- Gym, swimming pool, and padel court access
- Health insurance and 24/7 player coordination

At La Academia Marbella, the 10-Month Programme represents the perfect bridge between youth development and professional football, combining education, competition, and international experience.
